Dear Mr. and Mrs. Patron,

I am proud to have been recently accepted into Florida West Ballet, a non-profit youth ballet company providing scholarships for classical ballet training and performance opportunities. I have enclosed some more information about Florida West Ballet and Its faculty with this letter.

I hope that you will be interested in supporting Florida West Ballet by sponsoring me as a Pas de Deux partner. Donations help fund our training, master ballet classes in the community, costumes, and performances costs. For your convenience, a donation form is enclosed.

Please accept my sincere gratitude for your consideration. I very much appreciate any contribution you can make. I hope to see you at one of our upcoming performances.

Sincerely,
